

## Events Committee Meeting Minutes

1. Name of Committee: Events Committee
2. Date of meeting/time meeting started: March 9, 2011 at 3:30
3. Members/guests present: Lonnie Jones, Jerry McMillan, Don Long, Carol Williams, Brenda Walters
4. Old Business:
  - a. A list of possible projects for this year included:
    - Antique Gun Show
    - Antique Car Show
    - Musical events on the grounds in the form of a evening concert
    - Event to coincide with the opening of the Virginia Creeper room perhaps with music
    - Planning for an event to start/raffle the Lenore DePree painting.
  - b. The Committee “delegated” the idea of an Antique Gun show to President Lonnie for discussion with Jerry Brown and others who may be able to do this with only some help.
  - c. All other items except the DePree painting project were tabled to be taken up in 2-3 months for planning.
5. New Business:
  - a. We discussed selling raffle tickets and perhaps meal tickets in one unit and to have a meal catered by Dick Copas at the former Mountain Music Jamboree building. A very tentative date could be June 3<sup>rd</sup>. We will be discussing this at our next meeting once we have a better idea of when the Lenore DePree painting will be completed and the pre sale of signed prints can begin.
  - b. Brenda Walters will be contacting Mr. Copas. She will investigate menus and costs. We will talk to a local print shop about tickets and cost. We will consider an event that would ask participants at the meal to dress in “old time clothing” and the meal might be a menu of historical foods. Arvill Scott will be asked to help Jerry McMillan arrange entertainment for the evening.
6. Other items discussed: N/A
7. Next scheduled meeting date: Committee Chair Jerry McMillan will set next meeting date and time as soon as we have some additional information to continue planning, probably early April.
